

4Matrix[®]

Performance Tools for Schools and Trusts

4Matrix Cloud | The Tools You Love. Cloud-Based.

4MATRIX Performance Data for Secondary Schools

About us

4Matrix is provided by New Media Learning Ltd, the largest independent data solutions provider to secondary schools in the UK.

Over 1200 schools are actively using our powerful suite of products. Try 4Matrix for free and see what it can do for your Trust.

Make Sense of Your Performance Data

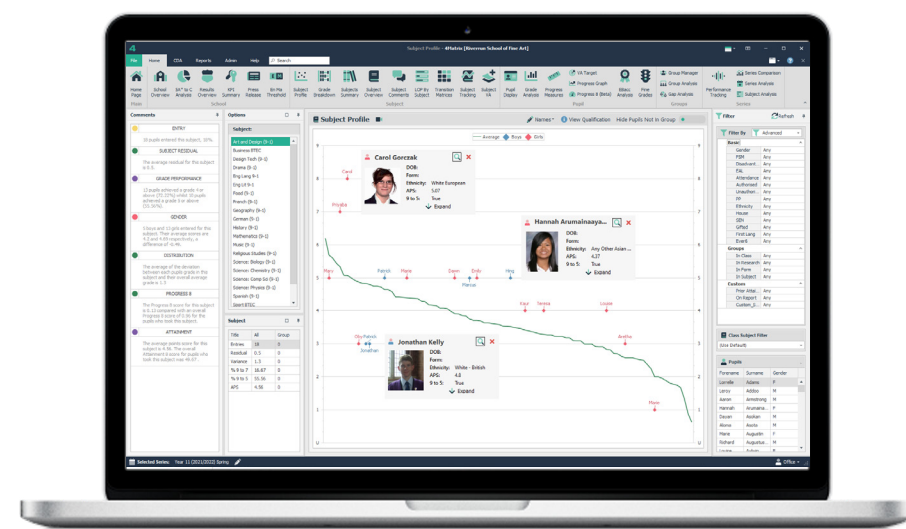

4Matrix provides power-tools for use with key stages 3, 4 and 5 to analyse, compare, forecast and report on the performance of subjects, the progress made by different groups of pupils, the consistency and impact of teaching, and key school performance indicators.

The Tools You Love. Cloud-Based.

4Matrix is evolving. Our complete cloud-based solution for schools and Trusts will retain all the features you know and love; powerful data visualisations, photo-reports and seamless MIS integration. Say goodbye to installation and manual updates. Say hello to web access from anywhere at anytime. Best of all, there will be a free upgrade path for existing customers.

Key Features

- Supports key stages 3, 4 and 5
- MIS data extract tool for Arbor, Bromcom, Cloud School and SIMS
- Pupil photos and photo reports
- Visual and empowering; suitable for all levels of staff
- Off-the-shelf solution, no programming required

Targeting Education Recovery

Whole-school, subject, class and key group analysis. Includes over 35 data tools across key stages 3, 4 and 5.

Extract Data from Your MIS

Easily import data directly from Arbor, Bromcom, and SIMS, or use our Wonde utility for all other MIS.

Cloud-Based Analytics

Existing customers will be able to upgrade to 4Matrix Cloud for free.

Why Choose 4Matrix?

- 30-day free trial
- 1 and 3-year licence options
- Includes updates and support via phone, live chat and email
- Free upgrade to 4Matrix Cloud
- Use with 4Matrix Infinity now for online access
- Use with 4Matrix Fusion for Multi Academy Trust analytics
